The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Any person or entity entitled by law to intervene and having a direct and substantial interest in the matter will be permitted to intervene. If you would like to intervene, you must file a written motion to intervene with the Commission, and you must send copies of the motion to the Company or its counsel, and to all parties of record in the case. Your motion to intervene must contain the following:

1. Your name, address, and telephone number, and the name, address, and telephone number of any party upon whom documents are to be served in your place, if desired;

2. A short statement of your interest in the proceeding (e.g., a customer of the Company, a shareholder of the Company, etc.); and

3. A statement certifying that a copy of your motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before January 12, 2009. The granting of intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any person or entity from appearing at the hearing and making a statement on their own behalf.

If you have any questions about this application, you may contact AWC at 602/240-6860 and Global Water at 623/580-9600. If you wish to file written comments on the application or want further information on intervention you may contact the Consumer Services Section of the Commission at 1200 W. Washington St., Phoenix, AZ 85007, or call 1-800-222-7000.
